Education

Computer Science Degree | Universidade Europeia - IADE
2019 – 2022 | 17/20 POINTS

A pragmatic degree, where I learned all the development tools I know through collaborative projects. These include a market web application, an exercise app, a cardiac data tracking and risk detection app for hospital patients in Lisbon, a virtualized fault-tolerant service, and several smaller projects (see my portfolio.)

High School IB Diploma | American School of Rio de Janeiro - EARJ
2017 – 2019 | 31/45 POINTS

Extended Essay on Computer Science, Algorithm Analysis (39/44 pts). Member of the Student Council (VP), National Honor Society, Math Club, Robotics Club (Pres.), Global Issues Network, SOS (charity club), RASA (volunteer teaching club), and more. Volunteered at the 2015 GIN conference, and 2017 AASSA conference.

Personal Skills

- Native English and Portuguese speaker, intermediate Spanish (DELE B1)
- Problem-solver, persistent, disciplined, focused, objective
- Tech enthusiast, challenge-seeker
